Stop Press
According to the Braunton Community Facebook page the Tree on the Green is being felled on Tuesday 4th July.
Not being replaced at this time, but with some ground improvements.

13th June 2017
Dear Michael,

I am writing to pass on a big thank you to the Braunton and Ilfracombe Rotary Club members for their continued support in providing a day trip to Gwily for local young carers.

The children had a fantastic day out with the weather being very kind and lots of fun being had.

These trips are a very important source of respite for the children from their caring role and also provide opportunities to socialise with others in the same position and to chat to our adult support workers about any worries or issues they may have.

Again a big thank you to all.
Best wishes,

Jim Harvey
Young Carer Support Worker

Letter received from Carewise. Thanking the Club for the annual outing for young carers funded jointly with the Rotary Club of Ilfracombe
