30th August Dudley Chugg

All subject to change

Birthdays this Month

19th Marjorie Cork

24th Ann Masterson and

Helen Welsh

Happy Anniversary to

Helen and Ian Welsh on the 19th

Message from Kira Farm Student Susan.

Greetings of joy from Kira Farm. How are you doing? Hope all is well with you. It is all excitement on Kira as we welcome back each other from our short holidays. It is so amazing how this training is transforming all our lives, in just two weeks all my friends have an impressive story of change to share. Personally I had a great time with my family. One of the things Kira has helped me change is improving my confidence.

Can you believe I was able to pass all my assessments before going back home!

It is this same confidence that helped me teach my family better hygiene practises of using tippy taps to wash hands after

the use of the toilet something I personally learnt in the first semester. Together with my friends from Kira, we came together during the holiday and sat our families and we discussed

with them on how we can work together to transform the community. They were all pleased that we had solutions to the bad farming practices in our village. They all agreed to arrange a piece of land that we shall use after our training as a demonstration place more like Kira so that all people from the village can share our knowledge.

You will still hear lots of updates from me in the second and last half of my training.

Love.Susan.

This last letter clearly demonstrates the help given by the Club to this young lady, well done International Committee

We shall be Selling Golf Balls for the Ball Race on the Village Green on Saturday 5th August and Saturday 12th. Volunteers and Helpers please.

North Devon Sinfonia,

The Club has made donation to the Sinfonia to help with travelling expenses to South Korea where the group will be representing the UK. You may remember the sinfonia won a BBC competition as the Best Amateur Orchestra last year.

The Club hopes to arrange a Concert with this group in Braunton in the autumn, watch this space.
