The Rotary Club of Braunton

October 2012

My first experience of Braunton Rotary Club was when Mike Zeale asked me to do a sheep shearing demonstration in the ring at Braunton Fair. I agreed and a friend of mine, David Kennard, did a commentary whilst I sheared the four of five sheep. That was in two thousand and two and in December of that year Michael invited David and myself to the Rotary Christmas lunch as a thank you on behalf of the Club for our efforts in the ring the previous May. I enjoyed the welcome I received and the friendly atmosphere that December afternoon.

Michael invited me to various Rotarian functions and lunches over the next couple of years and often asked me if I would like to become a member. I would always decline only because I was unable to leave the Farm at lunchtime on a Wednesday.

Fortunately for me Michaels' continued invitations over the next ten years to join resulted in my induction by Brian Whiting on the 30th May this year.

I am now enjoying the fellowship of the Club and I am at last remembering members' names.
